CNA classes will be held the last four weeks of summer session. We can only take 10 students. Please be committed to attending every day as this is the requirement. Classes begin on July 6 at 8:30 AM and end at 4:00 PM, Monday thru Thursday. You will attend 4 weeks of training with state testing the last week (July 27-30, 2015). The state requires a minimum of 75 hours of training (50 didactic and 25 clinical). In our program we give you 65 hours didactic and 30 clinical.

NACTEP will pay for the testing, books, and scrubs and provide a small stipend. You are required to wear scrubs: royal blue top and white or royal blue scrub pants. You must wear shoes that are appropriate that are non-slip—no open toed or open back sandals are permitted. If you do not show up for the first day of class you will be dismissed from the class. You must be at the gym by 8:30 AM promptly each day. **You need a Social Security card and a photo ID for state testing.**

You will need to sign up for NACTEP this week with Peggy Aquino, she has 10 slots, and therefore it is first come first served.

If you want to challenge the test, you need to go online to cna.gov and make an application to challenge the test. The cost is $130—give or take a few dollars.
