

Certificate – General Education Studies

PHILOSOPHY:

The General Education Program at Stone Child College provides a common educational foundation and supports the preservation and appreciation of the history, language, and culture of the Chippewa Cree people. This program is intended to meet the general education requirements for an SCC associate degree and has been designed to transfer seamlessly to other post-secondary institutions.

EXPECTED LEARNER OUTCOMES:

As a result of completing the general education program and coursework, SCC students will:

1. Demonstrate the fundamental skills of effective written communication;
2. Demonstrate the skills of effective oral communication
3. Demonstrate the fundamental skills of mathematical reasoning;
4. Exhibit the fundamental skills of scientific inquiry;
5. Demonstrate an appreciation and understanding of Native American history and cultures, particularly the history, language, and culture of the Chippewa Cree;
6. Apply appropriate technology skills across the curriculum;
7. Demonstrate the ability to engage and reflect upon their intellectual and creative development within the arts, humanities, and social sciences.

COURSE REQUIREMENTS:

GS 100: Freshman Seminar (2 credits)
CAPP 120: Introduction to Computers (3 credits)
WRIT 101: College Writing I (3 credits)
